THE COUPLE

Sarah & David

had a laid-back party with lots of handmade touches at The Chainstore, Trinity Buoy Wharf, London

“Trinity Buoy Wharf is opposite The O2 and is a blank space where we could do whatever we wanted,” says Sarah. “I found the venue on a blog – it turned out to be 20 minutes from my parents’ house (I knew I wanted to leave from theirs on the day) and it had the three things we were looking for: a late licence, no corkage fees and we could bring our own caterers. When we went to see it, we just knew.”
